Career Objective

As a dedicated and highly motivated final-year BCA student, I am eager to embark on a professional journey that enables me to apply and expand my knowledge and skills in the dynamic field of computer applications. I am seeking a challenging and rewarding role where I can contribute to a team, solve problems, and continue to learn and grow. My academic foundation, combined with my passion for technology and innovation, drives my enthusiasm to make a meaningful impact in the world of IT and software development. I am open to opportunities in various domains and look forward to leveraging my skills to add value to any organization that values creativity, diligence, and a commitment to excellence.

G. S. High School, Maharashtra, India <ul style="list-style-type: none">MSBSHSE (Class X), Aggregate: 79%	2019 - 2020

Technical Skills

HTML5 | CSS | Java Script | API Keys |

Soft Skills

Communication skills | Problem-solving abilities | Teamwork and collaboration | Adaptability | Time management

Projects

Weather Wizard	Oct'13
<i>'Weather Wizard' is a weather web application that offers real-time weather information, including temperature, humidity, and wind speed, for a user-specified location.</i>	
<ul style="list-style-type: none">For the development of 'Weather Wizard,' I utilized a combination of coding languages, including HTML5, CSS, and JavaScript.In addition, I integrated an API key to access real-time weather data, ensuring that the information provided is up-to-date and accurate.
